## A medium-sized idol can be made in 3-4 hours

CONTINUED FROM PAGE 1

They would make the idol from clay at home, instead of buying one from the market. And for this, they also underwent workshops that taught them how to make idols.

Environmentalist and entrepreneur Dr Geetika Saluja, who conducts online and offline workshops for making Ganesha idols at home, says no special skills are needed to make the idol in about 3-4 hours.

"I started a Whatsapp group when Ganesha idols were available in the market but in limited numbers due to the Covid restrictions. There, I made people aware how the idol can be made from 'Shadu' clay on their own, and organised an online workshop. This was during the Covid pandemic. The overwhelming response after the first class encouraged me to organise more online and offline workshops. And it has picked up since then," Dr Saluja told Mirror.

Dr Saluja and her team of artists

Dr Geetika Saluja's (right) first workshop on making Ganesha idols was a big hit during Covid; Dr Ritu Bharadwaj who now makes idol at home

provide a kit of clay and other environment friendly material and train people in idol-making step-by-step. As of now more than 500 citizens have made their favourite deity's idols at home.

"The idols are not only environmentally-friendly, the process of making them by hand helps the faithful connect with the deity emotionally. People pour out their feelings while making the idol. We don't use artificial colours and other mate-

rials which are hazardous to the environment," she added.

Many people started learning idol-making and have continued till date. "After attending the first workshop I have become a regular every year. Making the deity we rever with our own hands is satisfying spiritually. The material used in the idol is eco-friendly and we can immerse it in our own backyard," said Dr Ritu Bharadwaj, who is a regular at idol-making workshops now.

## ઈકો ફ્રેન્ડલી ક્લે દ્વારા મેમ્બર્સે ગણેશજીની મૂર્તિ તૈયાર કરી

અમદાવાદ : સ્પોર્ટ્સ ક્લબ ખાતે મેમ્બર્સ તેમજ ગેસ્ટ માટે ગણેશ મેકિંગ વર્કશોપનું આયોજન કરવામાં આવ્યું હતું. જેમાં ક્લેફ્રી મોલ્ડિંગની મદદથી ઈકો ફ્રેન્ડલી ગણપતિ બનાવતા શીખવવામાં આવ્યું હતું. ત્યારે આ વિશે ક્લબનાં સેક્રેટરી ચિંતન

ચોક્સીએ જણાવ્યું હતું કે, 'આ વર્કશોપ માટેનું મટીરિયલ પણ ક્લબમાંથી પ્રોવાઈડ કરવામાં આવ્યા હતા. જ્યારે આર્ટિસ્ટની મદદથી દરેક વ્યક્તિએ બાપ્પાની ઈકો ફ્રેન્ડલી મૂર્તિ તૈયાર કરી હતી. દરેક પાર્ટિસિપેન્ટ્સ મૂર્તિની સ્થાપના પોતાના ઘરે કરશે.'

## A buzzing Gujarati exhibition

Team Rotary News

Gujaratis are known for adept money management, and RC Ahmedabad Sarvam, RID 3055, demonstrated this innate skill with their recent initiative, a one-day *Sarvam Bazaar*. Held at Boho Homes, a furniture store owned by Geetika Saluja, charter president of the club, the bazaar was a testament to the members' resourcefulness.

Despite limited resources, the club took a creative approach to maximise outreach. Geetika proudly adds that "leveraging our own venue and engaging Rotarians as volunteers minimised costs."

Featuring over 60 exhibitors, the event attracted around 300 visitors. "The colourful stalls displayed a diverse array of products and services. Stall fees were kept nominal, starting at ₹2,000; some stalls were offered at a subsidised rate of ₹1,000, while few others were given free for deserving participants," she says.

The club urged each exhibitor to invite at least 10 people to broaden the reach of the event. DG Mehul Rathod, who visited the bazaar, complimented the club for its "innovative project to help our community grow and support local businesses."

The event also honoured nine professionals with Vocational Service Awards. Four exhibitors were inspired to join the club soon after the exhibition. ■

# ACTIVITIES AND INTERACTION PLANNED FOR ROTARY YOUTH EXCHANGE STUDENTS

 Vision in the Dark  
6m · 🌐

The participants of Rotary Exchange Program visited [Vision in the Dark](#) along with their local guardians. It was a pleasure having these young people from around the world who have come to Ahmedabad under Rotary Student Exchange Program

District 3055 organized and Rotary Club Ahmedabad Metro hosted the short camp for 7 days for Inbound Rotary Youth Exchange students in collaboration with District 3131 (Pune). We had 9 students visited our district and stayed from 7th April, 2024 through 13th April, 2024. These students were already there in District 3131 as long term inbound Rotary Youth Exchange who had come from Argentina, Brazil, Mexico, and France.

The hosting of these students was announced by District Office among all Rotarians in all clubs and nominate themselves for being a host of one or a couple students at their place by following the prerequisites of hosting norms as prescribed by Rotary Youth Exchange activities. Seven Rotary families in Ahmedabad showed readiness for becoming a host for nine students. We acknowledge and appreciate the host families of Rtn Manish Mehta, Rtn Ritika Bajaj, Rtn Jigar Shah, Rtn Gitka Saluja, Rtn Wispmac Shah, Rtn Rahul Prajapati and Rtn Naimish Oza who showed their hospitality and contributed to make this program successful.

Different fun and knowledge activities were organized like Ahmedabad City Sights, Fun trip to Shanku's Waterpark, visit to Sun Temple Modhera, participate in Rotary Box Cricket League organized by Rotary Club Ahmedabad Skyline where students participated in cricket tournament. Visit to Blind Peoples Association where students and host parents experienced the Vision in the Dark show and met officials and members of BPA. Cycling at Sabarmati Riverfront was such big favorite activity for students where as we had a Cooking Session organized at District Learning Facilitator Rtn Kalpesh Shah's residence. Rtn Sumira Shah and her daughter taught students various Gujarati delicacies. Visit to Science City for aquatic life and robotics engineering was really knowledge addition to all students and in

the evening one of the host parents Rtn Bhakti Wispmac Shah organized Yoga Sessions for all and explained the importance of meditation and yoga in our day to day life.

RYE Students and host families were invited to various Rotary Meetings and dinner by Rotary Club Ahmedabad Sarvam at Rtn Gitika Saluja's residence, District Governor's dinner by DG Mehul Rathod at his place along with members of host club, Rotary Club Ahmedabad Metro and various district officers and before their departure to Pune, Rotary Club Ahmedabad Mahanagar invited students to their club meeting.

Our sincere thanks to DG Manjoo Phadke, District 3131 to grant the permission of this camp from their inbound students. We acknowledge the contribution of RYE officials from District 3131, Rtn Shobha Nahar and Rtn Deepak Bodhani for helping us organizing this event, guidance and assisting us to plan the activities and take follow up on every day schedule. A special mention to Rtn Sarika Rode who accompanied with students as their mentor-guide from Pune and participated wholeheartedly for all activities. We appreciate the contribution of all host families and their enthusiasm for all activities was praiseworthy. A special mention to Rtn Rekha Kabra to invite all students and host families to Box Cricket Tournament.

Special thanks to DG Mehul Rathod for his encouragement and provide all facilities to organize this event and hosting Rtn Sarika Rode at their place.

This was first ever Rotary Youth Exchange program for District 3055 and we look forward to have many such occasions where inbound and outbound activities will take place.

## Awareness to be conscious environment friendly decision maker and Reclaim paper workshop

**‘જૂના રિસોર્સને રિકલેઈમ, અપસાઈકલ કરીને નવી વસ્તુઓ મેળવી શકો છો’**

અમદાવાદ-બોહો યોગ્ય માને છે કે આંદોલનનો સારાવાચક ભાગ તરીકે રિકલેઈમ એક અમદાવાદ દ્વારા હોય તેવી ડોર અને ટાપુ પર મોડરનનું આરોજન કરવામાં આવ્યું હતું. આ મોડરનની શરૂઆતમાં પાર્ટિસિપેટિવ પ્રકારે એકાદમી અને મેડિન વડોદરા યોજાયેલી હતી. આ સાથે ડોર અને ટાપુ પર રિકલેઈમ, રિકલેઈમ, રિપેરિંગ અને અપસાઈકલ પર વાત કરવામાં આવી હતી. જે વિશે વાત કરતા ડ્રીગિનિકા સલુજીએ જણાવ્યું હતું કે, “શ્યામરણને બચાવવા માટે નવા રિસોર્સને નુકસાન પહોંચાડવાની જગ્યાએ જૂના રિસોર્સને રિકલેઈમ કરીને ઉપયોગમાં લઈ શકાય છે.

ત્યારે બોહોમાં લોક ડોરને રિકલેઈમ કરીને ડિઝાઇનર તૈયાર કરવાની વાત કરાઈ, સાથે જ રિસોર્સના રિપેરિંગ વિશે પણ જાણકારી અપાઈ હતી. જેમ કે, જૂની વસ્તુને ફેલા કેવા કરવા તેનો પહેલ વિચારવો જોઈએ. ધરના કરવાએ જૂના થઈ ગયેલા ઓળ તેને કાચામાં જુવાળને ટેબલ, ટીચર ક્લે તરીકે પણ ઉપયોગમાં લાવી શકાય છે. જે વસ્તુ વપરાશને લાયક નથી તેને ફેંકવા કરતા રિકલેઈમ કરો. આ ડોરની મદદથી ધરના ડિઝાઇનરમાં ખેરત લોક મળી શકે છે. સાથે જ અપસાઈકલિંગ પર પણ ધ્યાન આપવું જોઈએ. જેમ કે એલ્યુમિનિયમની વસ્તુઓથી ધરનું ફોર્મિસર તૈયાર થઈ શકે છે.

**Re-claim:**  
Do you have a beautiful old door that fits no doorway in your house? Ever wondered how it'll look if it was turned into a table?

**Re-furbish:**  
Give love to that old and peeling table again. Repair the wobbly leg, varnish the beautiful wood and change out the rusty handles. It's new again!

### Moving forward...

**Re-purpose:** There might be some beautiful old brass dishes just sitting in your storeroom. Why not display them on that empty bit of wall and give it a new life?

### Lastly...

**Upcycle:** You might no longer be using that 'Charpai'. But what if it could be turned into a fun swing that your family could enjoy sitting on every day?

Paying Homage to matured trees that were cut to pay way for new flyover construction and 93 trees are waiting for their turn

WE PROUDLY BRING YOU

# TREE श्रद्धांजलि

To Respect and Value our Unsung Heroes

We invite you to join us near the site of the overbridge construction at Panjarapole, as we gather to pay श्रद्धांजलि to the trees—our unsung heroes—that were sacrificed to make way for urban development. Along with planting more trees let's stop cutting matured trees.

क्या हम इन मूक पेड़ों को एक सच्ची श्रद्धांजलि दे सकते हैं???

एक दम शांत तरीके से!!!

## RIP GREEN FRIEND

Residents of Panjarapole area held a rally and paid their 'last respects' to the tree that was cut by AMC workers last week to build a flyover. They have been protesting against loss of green cover as well as the flyover

## Citizens seek rethink on Panjarapole flyover

AMC has marked around 100 full-grown trees that are over 50 years old to be cut for the proposed flyover

**Online petition garners over 500 signatures**

Following the recent incident of AMC chopping down fully-grown trees at night, the citizens have begun an online signature campaign to protest the tree felling and the flyover construction. The petition has garnered over 500 signatures and wants the civic body to rethink its strategy. Petition demands a long-term solution to prepare the city for changing climate and ensure citizens welfare.

The citizens who gathered on Sunday are requesting AMC to focus on fostering a co-existing environment, rather than viewing other species as obstacles to development.

Madhish Parikh, a social worker and resident of Ahmedabad, said that to deal with traffic jams in the stretch, the AMC should consider other alternatives such as underbridges to ensure the trees are not cut. "Constructing a flyover at Panjarapole is not in public interest," Parikh said.

The citizens said the AMC often carries out tree-cutting activities at night to avoid opposition and such actions will only further the mistm.
